

2010 Assignment Guide

A resource option for student and faculty use as part of the Michigan Nurses MARCH! experience.

In some cases, students may be excused from clinical to attend the Michigan Nurses MARCH! The purpose of this guide is to serve as an assignment for completion, giving the nursing student credit for attendance at the MARCH! The questions contained in the guide are to help maximize the learning experience gained while taking part in a valuable and education experience related to nursing experience. Use of the guide is at the discretion of the faculty.

To receive credit for the MARCH!, the guide must be completed and turned in no later than ____ days after the Michigan Nurses MARCH!
