

MI NURSES Association

Award Nomination Procedures

1. Nominations are submitted by MNA members.
2. All nominations must be submitted on the MNA Award Nomination Form and include the following supporting material
 - a. Biographical data and work history, including (a) national activities, (b) state activities, and (c) other leadership activities.
 - b. A narrative statement detailing the accomplishments of the nominee. The statements should describe the nominee's compliance with the established criteria for the award as explicitly and concisely as possible.
3. Only requested materials will be considered.
4. Materials received for award consideration will be held confidential.
5. MNA Nominations Committee members are not eligible during the period in which they serve.

The deadline for submission of nominations is August 1
Nominations received after the deadline will not be considered.

Submit completed nomination forms and supporting material to:
